PUE <1.1

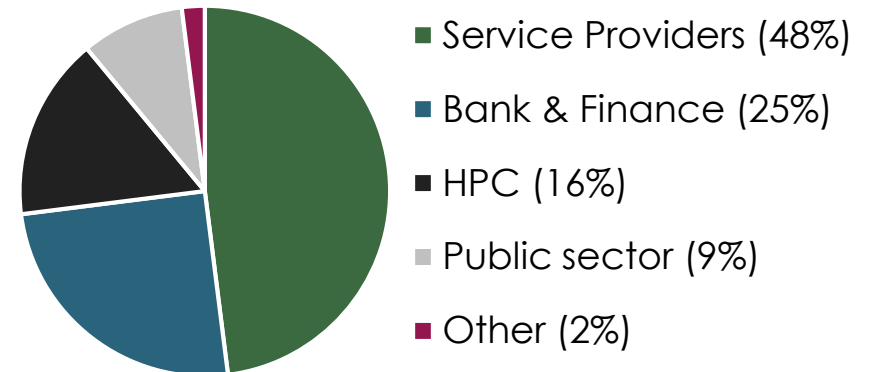

Superb Client
Satisfaction

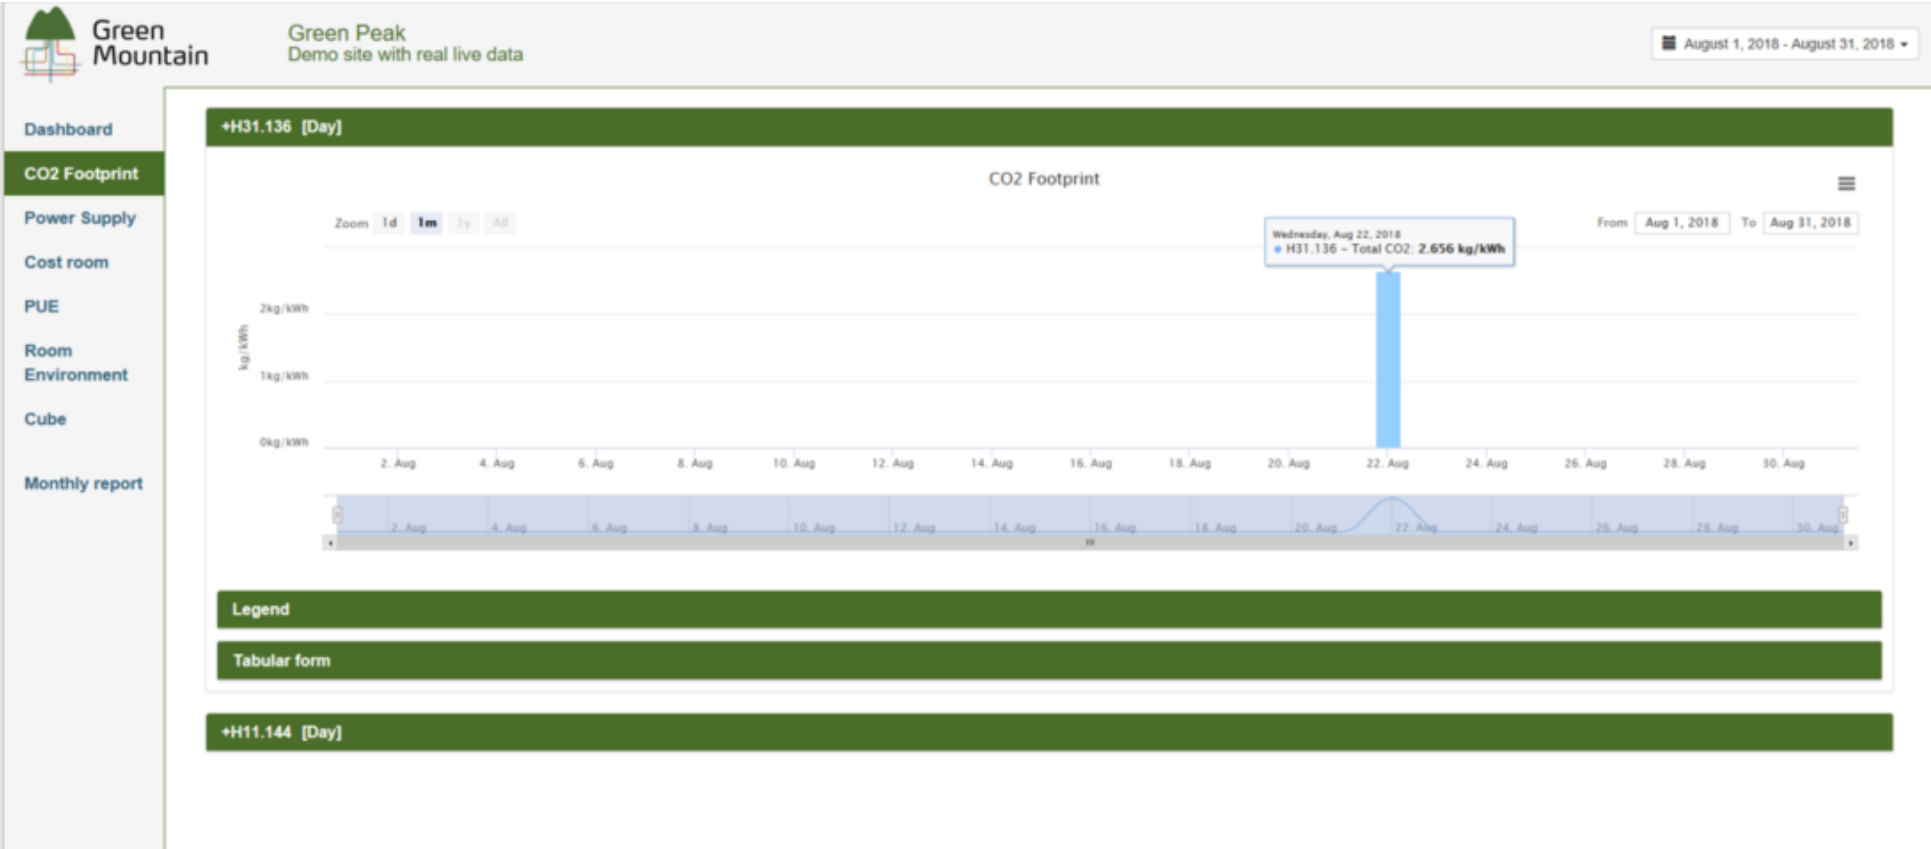

100% Renewable
Energy

Operational Excellence
100% Uptime

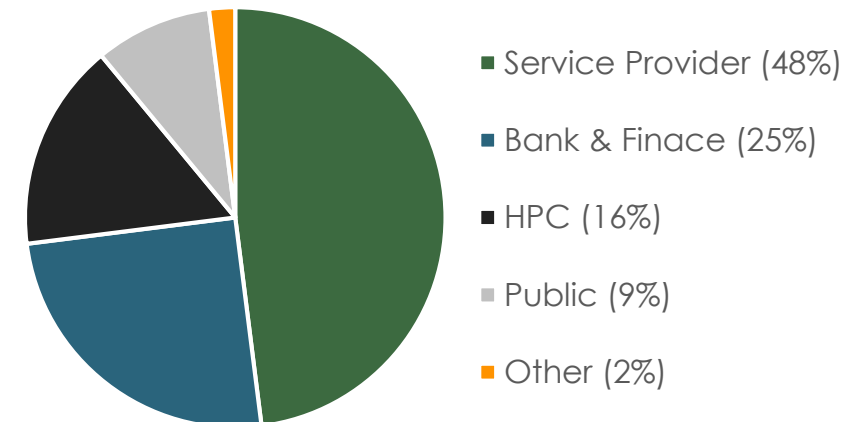

Hva bruker vi disse data til?

Green Mountain

A leading Provider of sustainable co-location operations

- Hva betyr det å ha et stort samlokaliserings datasenter i regionen?
 - Tilgang til datakapasitet «on demand»
 - «Low latency»
 - Bruk kapital til forskning og utvikling, ikke IT
 - Nærhet til data
 - Enklere å få støtte til utviklings prosjekter?

Green
